

RED RIVER DEFOAMER™

ANTIFOAM/DEFOAMER

GENERAL INFORMATION

RED RIVER DEFOAMER is a proprietary silicone antifoam emulsion designed for prevention or suppression of foam formation in aqueous solutions. The functional properties include quick dispersibility, slight insolubility, relative stability, and spreadability in ionic solutions.

RED RIVER DEFOAMER is very aggressive in agricultural pesticide tank mixes, especially ***ROUNDUP® ULTRA**, offering antifoaming qualities when used in a premix or defoaming characteristics on already existing foam. All emulsifiers used in this formulation are non-ionic, offering superior uniformity and compatibility.

This product cannot be used for aquatic applications.

NOTE: Keep out of Lakes, Ponds or Streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

**Reg. Trademark of Monsanto.*

USE RATES

Use **RED RIVER DEFOAMER** at 1/2 to 2 ounces per 100 gallons of solution. It may be necessary to adjust the amount used according to individual conditions.

NOTE: It is always best to add to tank mixture before foam has already formed.

PRINCIPLE FUNCTIONING AGENTS

Dimethyl, methylhydroxypropyl, ethoxylated propoxylated siloxane; Polydimethylsiloxane; Silica 3.5%

Constituents ineffective as spray adjuvants 96.5%

TOTAL 100.0%

All ingredients are exempt from tolerance requirements under 40 CFR 180.1001 (d).

KEEP OUT OF REACH OF CHILDREN **CAUTION**

Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin. Wear long-sleeved shirt, long pants, socks, shoes, and chemical resistant gloves. Avoid contact with eyes. Keep from freezing.

STATEMENT OF PRACTICAL TREATMENT

If Ingested: Get medical attention immediately. Do not induce vomiting, except by physician's order.

If on Skin: Wash with soap and water until removed. If irritation develops, consult a physician. Remove and launder contaminated clothing before reuse.

If in Eyes: Flush immediately with water for 15 minutes. If irritation develops, get medical attention.

If Inhaled: Remove to fresh air. If breathing is difficult, have trained person administer oxygen.

STORAGE and DISPOSAL

Store in a cool dry place. Keep from freezing. Do not reuse empty container. Dispose of container in a safe manner in accordance with Federal, State and Local regulations.

WARRANTY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to the label instruction, or any abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.
