

SUPER MARKING DYE

SPRAY COLORANT

KEEP OUT OF REACH OF CHILDREN

CAUTION

Inhalation may cause nasal and respiratory irritation. If inhalation occurs, remove to fresh air. Contact with skin may cause irritation and redness. Flush skin with water until removed. Eye contact may cause irritation and redness. Flush eyes with water for 25 minutes. Ingestion may cause nausea, abdominal discomfort and diarrhea. DO NOT INDUCE VOMITING. Drink two glasses of water and see a physician if symptoms persist.

GENERAL INFORMATION

RED RIVER SUPER MARKING DYE:

- is a temporary, water soluble, blue spray colorant - used to monitor spray applications.
- indicates drift, improves applications, and helps reduce spraying of unwanted areas.
- may be used with foam markers, and industrial and forestry applications.
- works with any type of spray equipment, either hand held, back pack, or broadcast.

APPLICATION RATES

Suggested rates of **SUPER MARKING DYE** are as follows: Mix at rate of 2 to 4 ounces per 40 gallons of liquid (5-10 oz. per 100 gallons).

The recommended concentration of **SUPER MARKING DYE** may be adjusted for specific operations. Higher dosage rates will increase the darkness of the spray pattern.

WARRANTY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.
