## Garden & Landscape Plant Food

5-1-5 WITH 3.5% HUMIC ACID

A NATURAL CHOICE FOR VEGETABLES, FLOWER BEDS, TREES, AND SHRUBS

Put Nature to work in your yard with Natural Guard Garden & Landscape Plant Food 5-1-5 With 3.5% Humic Acid.

### DIRECTIONS FOR USE

**Natural Guard Garden & Landscape Plant Food 5-1-5 With 3.5% Humic Acid** is a natural and organic fertilizer formulated for use on a wide range of plants. It is a homogeneous granule that is easy to apply. As a slow release nitrogen source, the product provides "residual" soil nitrogen which is stored in the soil and becomes available to plants over a relatively long period of time during the growing season.

**DIRECTIONS:** Apply 1 lb. of fertilizer per 100 sq. ft. every month during the growing season to vegetable gardens and flower beds. For best results, water immediately after application making sure to wash any excess fertilizer off the plant's foliage into the soil. Apply 15 to 20 lbs. per 1000 sq. ft. area around trees and shrubs in the spring, summer and fall. Evenly apply to the soil area near the trunk to several feet beyond the foliage canopy. Water deeply to move fertilizer down to the roots.

**APPLICATION INSTRUCTIONS:** This product may be applied with drop or rotary-type spreaders designed to apply granular fertilizers. For best results, apply this product evenly and uniformly avoiding streaking, skips or overlaps. Check equipment frequently to verify calibration and proper functioning.

### SPREADER SETTINGS

These settings can be used only as a guide, they are not absolute. The speed at which the applicator walks and spreader condition will alter the rate of application. If product remains in spreader after application to recommended square foot coverage, spread remainder over same area going at right angles (See Diagram).

SPREADER MAKE AND MODEL	SETTING TO DELIVER	
	15 lbs. Per 1,000 Sq. Ft.	20 lbs. Per 1,000 Sq. Ft.
Spyker (All Models)	6.0	8.0
ferti-lome® Plus Iron Broadcast/Earthway 2850	15	18
ferti-lome® Plus Iron Prof. Broadcast/Earthway 2800A	15	18
ferti-lome® Deluxe Broadcast/Earthway 2050 S.U.	15	18
