

# Microcide SQ™

## BROAD SPECTRUM DISINFECTANT

Cleaner • Disinfectant • Detergent  
Fungicide • Bactericide • Virucide  
Mildewstat • Deodorizer

Microcide SQ is a broad spectrum hospital grade cleaner, disinfectant and bactericide that sanitizes hard surfaces as well as fabrics and clothing. EPA approved, Microcide SQ is proven effective in eliminating more than 100 harmful organisms.

- **Neutralize bird droppings**

Microcide SQ can be used to neutralize harmful bacteria often found in bird wastes, making it safer for removal and proper disposal. Spray product on all bird waste, nests and related refuse, making sure that all surfaces are completely wetted. Keep surfaces saturated for at least 10 minutes. While still damp, remove and dispose of waste in accordance with local regulations. Retreat the surface to sanitize and deodorize. Let air dry.

**CAUTION:** When working around or cleaning up bird and animal wastes, wear a **minimum** of eye protection, respiratory protection, disposable gloves and clothing. Heavy accumulations of bird waste (especially in enclosed areas) can present a serious health threat.

- **As a bactericide, mildewcide, fungicide**

Treat gross filth to neutralize harmful organisms. Spray all surfaces until thoroughly wetted. Keep surfaces saturated for at least 10 minutes. While still damp, remove waste and clean all surfaces. Retreat to sanitize and deodorize.

- **To sanitize and deodorize**

Spray on all inanimate surfaces until thoroughly wetted. Keep surfaces saturated for at least 10 minutes. Let air dry.

- **Mixing Ratios per application:**

Use/Application	Mix (concentrate/water)
Disinfectant	2 ounces per gallon
Bactericide, Cleaner	2 ounces per gallon
Virucide, Mildewstat	4 ounces per gallon
Fungicide, Deodorizer	4 ounces per gallon

**NOTE:** This information is not intended to replace the written instructions for Microcide SQ. Carefully read and follow all application, handling and storage instructions printed on the product containers.

**Note: ALWAYS read all product information and the product label before application!!**
